## **REPORT OF INDEPENDENT AUDITORS**

To the Audit Committee  
Boys & Girls Clubs of Central Virginia  
Charlottesville, Virginia

We have audited the accompanying financial statements of BOYS & GIRLS CLUBS OF CENTRAL VIRGINIA (a nonprofit organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Audit Committee  
Boys & Girls Clubs of Central Virginia

# **BOYS & GIRLS CLUBS OF CENTRAL VIRGINIA**

## **NOTES TO FINANCIAL STATEMENTS**

### **1. NATURE OF ACTIVITIES**

The Boys & Girls Clubs of Central Virginia (the Club) was organized in 1992 as a Virginia non-stock corporation. Its mission is the promotion of healthy social, educational, vocational, and character development of boys and girls, bringing together on equal grounds, under good leadership, boys and girls from all economic and social classes. The Club offers youth from the ages of six to eighteen the opportunity for recreation away from the moral and physical dangers often encountered in everyday life, providing the opportunity for its members to achieve their goals and aspirations in life. The Club is an independent corporation, but is affiliated with and pays dues to the Boys & Girls Clubs of America.

### **2. SIGNIFICANT ACCOUNTING POLICIES**

#### **a. *Basis of Accounting***

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with U. S. generally accepted accounting principles (U. S. GAAP) and, accordingly, reflect all significant receivables, payables, and other liabilities. Support and revenue are recorded when earned or pledged and expenses are recorded as incurred.

#### **b. *Basis of Presentation***

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB). Under this guidance, the Club is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

In order to ensure observance of limitations and restrictions placed on the use of resources available to the Club, its accounts are maintained in accordance with donor restrictions placed on the donated assets. Separate accounts are maintained for each category of donor-restricted assets and unrestricted assets. The assets, liabilities, and net assets of the Club are reported in the following self-balancing net asset groups:

Unrestricted net assets represent the portion of net assets that can be utilized to support current and future Club operations.

Temporarily restricted net assets represent contributions to the Club that are expendable only for purposes specified by the donor or that have restrictions that expire with the passage of time.

Permanently restricted net assets represent contributions to the Club that are subject to restrictions of gift instruments requiring that the principal (and, in some cases, a portion of the investment income) be invested in perpetuity and the income only be used for current operating purposes. There were no permanently restricted net assets at June 30, 2017 and 2016.

# **BOYS & GIRLS CLUBS OF CENTRAL VIRGINIA**

## **NOTES TO FINANCIAL STATEMENTS--(Cont'd)**

### **2. SIGNIFICANT ACCOUNTING POLICIES--(Cont'd)**

#### **c. *Policy Disclosure***

The Club reports gifts of cash and other assets as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. When a donor temporary restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

The Club reports gifts of land, buildings, and equipment as unrestricted support, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. In the absence of explicit donor stipulations about how long those long-lived assets must be maintained, the Club reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

#### **d. *Cash and Cash Equivalents***

For purposes of the statement of cash flows, the Club considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Club maintains its cash in bank deposit accounts that, at times, may exceed federally insured limits and are subject to credit risk. The Club has not experienced any losses in these accounts.

Cash reported as part of other assets on the statement of financial position represents cash received with donor-imposed restrictions limiting its use to expenditure for capital assets, funds designated by the board for use in the future, or amounts reasonably expected to be held longer than one year from the date of the financial statements.

#### **e. *Accounts Receivable***

Accounts receivable represent amounts owed to the Club, and are shown net of any specific bad debt write-offs. The Club does not accrue finance charges on past due accounts. All receivables are unsecured and subject to certain credit risks. Management writes off uncollectible accounts when specifically identified. Management determined that an allowance for uncollectible accounts was not necessary at June 30, 2017 and 2016.

# **BOYS & GIRLS CLUBS OF CENTRAL VIRGINIA**

## **NOTES TO FINANCIAL STATEMENTS--(Cont'd)**

### **2. SIGNIFICANT ACCOUNTING POLICIES--(Cont'd)**

#### **f. *Pledges Receivable***

Pledges receivable, less an allowance for uncollectible amounts, are recognized as revenue in the period received and as assets or decreases of liabilities or expenses, depending on the form of the benefits received. Management reviews its collection experience in determining the need for an allowance for uncollectible pledges receivable. Management's estimate for the allowance for uncollectible pledges was \$10,000 and \$1,500 at June 30, 2017 and 2016, respectively. Amounts to be received beyond one year are discounted to net present values. Conditional pledges receivable are recognized when the conditions on which they depend are substantially met. Pledges conditional upon future operations of the Club in the amount of \$30,000 have not been recorded in these financial statements.

#### **g. *Support and Revenue***

The Club receives contributions from three principal sources: annual individual philanthropic contributions, periodic special events, and grants. Each year, the Club must raise approximately 85% of its operating expenditures and seldom does the Club receive multi-year grants or does it have commitments for more than 15% of a fiscal year's operating expenditures prior to the start of the fiscal year.

The Club collects registration and other fees from its members to help offset the costs associated with the registration process and certain elective programs. These fees are reported as program fees and club fees in the statement of activities, or as offsets against program expenses for certain elective programs.

#### **h. *Donated Materials and Services***

In accordance with the FASB guidance, contributions of services are recognized for services received that require specialized skills. The Club recognized \$10,000 of contributed audit services support for the years ended June 30, 2017 and 2016. In addition, the Club recognized \$6,778 and \$6,998 of contributed contractor services support for the years ended June 30, 2017 and 2016, respectively.

No amounts have been recognized in the financial statements for donated services that are not specialized skills, since there is no objective basis to measure the value of such services. Nevertheless, a substantial number of volunteers have donated significant amounts of their time in the Club's fund-raising and program activities.

Significant donated materials and other items, exclusive of capital additions, are valued at cost or estimated fair market value on the date of the gift, as applicable. The Club also receives donated supplies or discounts on supplies that it uses in fund-raising and other activities.

# **BOYS & GIRLS CLUBS OF CENTRAL VIRGINIA**

## **NOTES TO FINANCIAL STATEMENTS--(Cont'd)**

### **2. SIGNIFICANT ACCOUNTING POLICIES--(Cont'd)**

#### **i. *Accounting Estimates***

The preparation of financial statements in conformity with U. S. GAAP requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Significant estimates that affect the Club's financial statements are the allowance for uncollectible pledges, the discounting of future pledges receivable to their estimated net present values, functionalization of expenses, fair value of investments, depreciable lives and residual value of property, and the valuation of contributed services and donated lease space.

#### **j. *Advertising***

The Club expenses advertising costs as incurred. Advertising costs were insignificant in the years ended June 30, 2017 and 2016.

#### **k. *Property and Equipment***

Property and equipment are stated at cost. The Club capitalizes all expenditures for items that exceed \$2,500 in value that have a useful life of two years or longer. Donated property is recorded at fair market value based on independent appraisals or comparisons to similar asset sales and recognized as income when received.

Property and equipment are depreciated using straight-line and accelerated methods over the estimated useful lives of the assets. Management generally estimates useful lives of 3 to 7 years for vehicles and equipment, 7 to 10 years for furniture and fixtures, and 39 years for buildings and leasehold improvements. Depreciation expense amounted to \$226,300 and \$224,682 for the years ended June 30, 2017 and 2016, respectively. Expenditures for maintenance and repairs are expensed as incurred.

#### **l. *Exempt Tax Status***

The Club is exempt from income taxes under Section (501)(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying financial statements. In addition, the Club has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business taxable income during the years ended June 30, 2017 and 2016.

# **BOYS & GIRLS CLUBS OF CENTRAL VIRGINIA**

## **NOTES TO FINANCIAL STATEMENTS--(Cont'd)**

### **2. SIGNIFICANT ACCOUNTING POLICIES--(Cont'd)**

#### **m. *Uncertain Tax Positions***

The Club has reviewed and evaluated the relevant technical merits of each of its tax positions in accordance with guidance established by the FASB and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the Club.

#### **n. *Functional Allocation of Expenses***

The costs of providing the various programs and activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### **o. *Fair Values of Financial Instruments***

The FASB established a framework for measuring fair value, which expanded disclosures about fair value measurements under U. S. GAAP.

The fair value framework requires the categorization of assets and liabilities into three levels based on the assumptions (inputs) used to price the assets or liabilities. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant management judgment. The three levels are defined as follows:

Level 1 Unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2 Observable inputs other than those included in Level 1. For example, quoted prices for similar assets or liabilities in active markets or quoted prices for identical assets or liabilities in inactive markets.

Level 3 Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

The Club's pledges receivable and investment holdings in pooled investment funds are categorized as Level 3 assets.

#### **p. *Subsequent Events***

Management has evaluated subsequent events through January 18, 2018, which is the date the financial statements were available to be issued.

**BOYS & GIRLS CLUBS  
OF CENTRAL VIRGINIA**

**NOTES TO FINANCIAL STATEMENTS--(Cont'd)**

**3. INVESTMENTS**

The Club invests funds with the goal of generating a total return that meets or exceeds the spending rate and the inflation rate, as measured by the Consumer Price Index.

The Club holds investments managed by an outside third party that are part of a pooled investment fund. The Club does not hold individual investments in this fund, but rather holds a share of the pool and, as such, generally only unrealized gains and losses are reported by the investment manager to the Club based upon their respective share of the pool. Realized gains and losses will be reported upon redemption of the Club's share of the pool. Investments can be liquidated subject to approval by the investment manager and the Club's Board. The Club has no unfunded commitments. The fund invests primarily in equity securities, fixed income securities, and alternative investments. The alternative investments are not readily marketable and are carried at estimated fair values as provided by the investment manager. The Club believes the carrying amount of these investments is a reasonable estimate of fair value. The amounts the Club will ultimately realize could differ materially from the reported amounts, and significant fluctuations in fair values could occur from year to year.

The Club's investments are carried at their fair market value based upon the values reported by the investment pool fund manager. At June 30, 2017, the fund was available to be redeemed, subject to approval, at the full net asset value. The cost basis includes the original purchase cost of the investments plus investment earnings reinvested.

A summary of the fair market value and cost of the Club's investments at June 30, 2017, is as follows:

	<b>FAIR MARKET VALUE</b>	<b>ORIGINAL COST</b>	<b>EARNINGS REINVESTED</b>	<b>TOTAL COST</b>
Pooled investments .....	<u>\$3,129,105</u>	<u>\$2,760,000</u>	<u>\$ 216,664</u>	<u>\$2,976,664</u>

A summary of the fair market value and cost of the Club's investments at June 30, 2016, is as follows:

**5. PLEDGES RECEIVABLE**

The Club has adopted U. S. GAAP standards for the fair value option to value its multi-year pledges receivable using a discount rate that is determined annually. The election was made because management believes that the use of fair value reduces the cost of measuring its multi-year pledges receivable in periods subsequent to their receipt and provides equal or better information to users of its financial statements than if those pledges were measured using present value techniques and historical discount rates. Pledges conditional upon future operations of the Club in the amount of \$30,000 have not been recorded in these financial statements. The Club determines its discount rate based upon the approximate five-year treasury yield outstanding at the end of each year and applies this rate to all multi-year pledges receivable. The Club's discount rate was 2.0% at June 30, 2017 and 2016.
